

Camp Rules

Noise

We are a family camp and expect campers to respect their neighbour's peace and quiet. We therefore do not tolerate nuisance noise at any time and particularly not after 10.30pm. Exceptions will be made on New Year's Eve.

Rubbish

In this fragile, remote environment we all need to minimise our waste. Please think about the rubbish that you will produce over your holiday time and how it could be reduced.

Only reasonable daily quantities accepted. Large holiday packaging/broken items to be taken home.

Outside Lights

The Maori recognised Omarama as the 'Place of Light'. As well as receiving record sunshine hours, the evening and night time light in this area is unique and special. The Mackenzie Dark Sky Reserve which is close by, officially recognises this.

In order to appreciate our night sky, we only allow outside lighting that is essential and subdued.

No outside decorative lights (i.e. fairy lights) permitted.

Allow yourself a moment to savour the beautiful pink glow at dusk, the depths of the shadows as the night advances and the magnificence of the moon and stars.

Dogs

Dogs allowed by arrangement only.

Behaviour

We reserve the right to ask any person/group to leave who behaves in a socially unacceptable way, disturbs other guests, or breaks the camp rules. No refund will be given.
